Nature Tells You.

As Many a Norway Reader Knows too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar.

Infrequent or too frequent action; Any urinary trouble tells of kidney ills.

Doan's Kidney Pills cure all kidney ills.

Norway people testify to this.

Mrs. Solon Moore, Tucker St., Norway, Me., says: "About five years ago I was troubled by kidney complaint. My whole body seemed to be affected and during these spells the secretions from my kidneys were unusual. I used many remedies, but received no benefit. I at last procured Doan's Kidney Pills from Stone's Drug Store and they proved to be an excellent remedy. I am pleased to give this preparation my highest endorsement."

For sale by all dealers. Price 50 cts. Foster-Milburn Co., Buffalo, New York sole agents for the United States.

Do It Early.

Do your Christmas shopping early, do it early, mother dear, For you know you are exhausted with the busy year.

Please go out and get the trinkets for the practical and the useful.

Get the engines and the candy and the pistols and the guns;

Better start right out tomorrow with your money and your list—

But at 10 o'clock on Christmas eve you'll think of one you've missed.

Do your Christmas shopping early, do it early, sister dear!

Get a cue for one such uncle that will put him on his ear.

Get a tie that is hand painted for your one and only aunt.

He will say it is too splendid for a man to wear, you know.

Work a pillow for the preacher, and get something for each friend.

But you'll find you've overlooked one when your shopping's at an end.

Do your Christmas shopping early, do it early, do you hear?

Let the higher cost of living give you neither fret nor fear;

There are friends to write Ere the first day of December heaves serenely

So be ready to remember all the people far away.

But you'll find you've failed to get one for some one on Christmas day.

Do your Christmas shopping early, ere the drifting snows are gone;

For the day before is madder than all the others of the year;

At no odds how soon you do it, when the final days have come

You will be right in the struggle showing how you make things hum.

And on Christmas eve, dear sisters, all of you, including him,

Will exclaim, "Well, goodness gracious, We had quite forgotten pa!"

The Message of the Bells. Bing, ring, O bells of Christmas-tide, Your joyful message far and wide, Thro' all the land proclaim! This is the blessed Day of days

When here, to walk earth's troubled ways, The Lord our Savior came!

O not with pomp and splendor fine, But 'mongst the lowly sheep and kine, And crowded in the stable,

He came, and low the path he trod. Always, the greatest gift from God In an erring world is saw.

As in the dawning eastern skies The Wise Men watched the Star arise And heralded His birth,

Thus we await God's Kingdom come, When man and all God's creatures dumb Shall dwell upon this earth.

In brotherhood; when war shall cease And Love and Universal Peace— Their banner shall be ours.

With tenderness and gentle sway, Their watchword "Mercy" shall for aye Prevail throughout the world!

Fling out your message, O ye bells, Your cadence silvery torrents!

The gracious time is here, When sweet Compassion, angel fair, O'er this our land and everywhere Shall brood perpetually.

Beware of Ointments for Catarrh that Contain Mercury, as mercury will surely destroy the sense of smell and completely derange the whole system when entering through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. Cure Catarrh. It's Easy, Pleasant, and Costs But a Trifle. How many readers of the ADVERTISER know that in Inland Australia where the mightiest of eucalyptus trees grow in abundance, that there is no consumption, catarrh or diseases of the respiratory tract.

The refreshing balsam thrown out by these trees fills the air and is breathed into the lungs by the inhabitants and all germ life is destroyed.

If you have catarrh you cannot go to Inland Australia except at great expense, but you can breathe right in your own home the same pleasant, soothing, healing, germ killing air you would breathe if you were living in the eucalyptus district of Australia.

HYOMEI is made from Australian eucalyptus and scientifically combined with thymol and other Listerian antiseptics.

Pour a few drops of HYOMEI into the inhaler and breathe it. As it passes over the catarrh infected membrane it kills the germs and heals the raw, inflamed surface.

HYOMEI is guaranteed to cure catarrh, coughs, colds, croup and sore throat, or money back. Complete outfit including Inhaler \$1.00. Extra bottles of HYOMEI cost but 50 cents. Sold by F. A. Kimball, Prop. of the Noyes drug store, and druggists everywhere.

To break up cold in head or chest in a few minutes, pour a teaspoonful of HYOMEI into a bowl of boiling water, cover head and bowl with towel and breathe the vapor.

You are actually buying two ranges combined in the space of one, and you can bake equally well with the coal or gas oven.

There are many original features in this Quaker Cabinet Range. More Cures Made by the Electro Medical Specialist.

Exhausted Nerves Take on New Life and Rheumatism is But a Toy in His Hands.

Among the well informed doubt no longer exists of his wonderful success in curing long standing diseases. The evidence accumulated and is so direct and positive that it would appear that anyone who will continue to suffer in the old way without making any attempt to get his aid must have some special reason for wishing to remain sick. The testimonials which are being brought in are too numerous to print in full. The Doctor is very busy now, and he will be obliged to charge a fee for consulting after a time, but for the present consultation is free. He has time to talk with and treat only those who go to him in good faith and desire to get the treatment that cures. This is only fair to those who desire his services.

He will not undertake your case, no matter what you are willing to pay, unless he can make it a credit to his reputation. His time can be entirely occupied in treating such cases.

Take no one's word except that of a cured patient. Let no prejudice stand in the way of reason, but whatever your complaint may be, it will be to your interest to consult him.

Cured to Stay Cured.

Dover, Maine, June 8, 1908.

For years I have been in poor health. Indeed at times I failed so fast, especially this spring, it seemed I should have to take my bed. My chief trouble was internal and seemed to be a mystery to every physician I had consulted. Added to this I had liver trouble and rheumatic pains in my limbs every rainy day, was weak and nervous; my condition was very poor and I suffered with cold and seemed on the point of a general breakdown. I had been reading of your electric treatment in the Bangor Daily News. After writing to a lady who had been treated, and receiving a very favorable reply, I decided to go myself. The results have been very satisfactory. God has greatly blessed the treatment to my good as well as many others whom I had the privilege of meeting while taking treatment and it is a pleasure to me to add my testimony with the others.

MRS. LIZZIE KENNEY.

Dover, Maine.

Five months later she writes this letter:

Dover, Maine, Nov. 5th, 1908.

I send my testimony for publication hoping it may prove a blessing to those who are losing faith in medicine and saying to themselves there is no help for me, but not give up. Try the Electric treatment. It HAS GUARANTEED ME. It will cure you. Five months ago I was in very poor health, having ailments of long standing. NOW I AM A HEALTHY WOMAN, capable of doing a good day's work, and we are greatly pleased with the results. Any one wishing to write me, my address is:

MRS. LIZZIE KENNEY.

Dover, Maine.

Mrs. Kenney is a well known Christian lady of Dover, and her testimony above proves beyond a doubt that he can cure chronic diseases after all other treatments have failed.

He has cured thousands of just such cases as yours and he will cure you if you will put yourself under his skillful care.

He cures not only consumption in its first stages but other chronic diseases.

The Blood Diseases—Scrofula, all kinds of tumors, Diseases of the Stomach and Digestive Tract.

Those fearful Nervous Diseases of men and women, no matter from what cause arising—Paralysis, Headache, Pruritus, Lame Back, Neuralgia, Sciatic and Rheumatism.

Diseases of the Liver, Kidneys and Bladder, Male Troubles, Weakness (no matter from what cause).

Diseases of Women—Ulceration, Displacements, Falling of Uterus, Protrusion of the Vagina, Menstruation.

Women who are racked with pain in the pelvis, side, back or head, or suffering from nervousness and many troubles peculiar to their sex can find speedy relief and permanent cure without examination.

Young men who are beginning to suffer the mental and nervous retribution for early folly may avoid the consequences by seeking the aid of science.

There are others who see their vital energies wasting away, unmindful of the fate that awaits them, perhaps in the near future. Such persons should have a confidential talk with the Doctor who can save them from weakening of the mind, nervous prostration, melancholia, insanity and impotence.

These are middle-aged men prematurely old, weak when they should be strong, who are guaranteed a perfect restoration to physical and nervous power.

If you are run down and have lost your ambition, you need electricity. They can with a single application infuse new strength into your nerves. Go to him at once and if he will accept your case begin treatment without delay.

Office in Beal's Hotel, Norway, Me. Consultation Free Tuesday, Thursday and Saturday of each week. Hours 9 to 12 a.m., 2 to 4 and 7 to 8 p.m., except Sundays.

Those who are unable to call in person should send at once for circulars and self examining blanks and learn just what their ailments are, and what they do to be cured if curable free. Address with stamp, the Electro Medical Specialist, Norway, Me.
